

**BUS ROUTE CANCELLATION PROCEDURE**

Buses may be cancelled due to any one or a combination of the following factors, bearing in mind that student safety is of prime concern.

- low temperatures (-35°C) or high wind chill values (at or below - 45°C Wind Chill Index).
- poor visibility
- unsafe road conditions  
(Manitoba Highways or driver recommendations)  
The Supervisor of Operations or his designate shall be responsible to initiate the route cancellation procedure.
- If unacceptable weather and road conditions develop overnight that makes travel by school buses unsafe a decision is made by 7:30 AM, when possible, to cancel buses and classes. This decision is relayed to CKMW 1570, CFAM 950, CFYI 93.5, CBC 990, and CJOB 680.
- A cancellation may take place at any time if conditions deteriorate suddenly. In the case of late cancellation drivers should attempt to contact parents on their route.
